

## Minors Softball Rules

Minors Softball will use the rules set by Little League International with the following exceptions:

- 1) Players pitch 1, 3, 5 innings. Coach pitch 2, 4, 6 innings.
- 2) Batters do not walk. If a player is pitching and throws 4 balls, the coach steps in to pitch until the batter strikes out or hits the ball.
- 3) Players can steal 2<sup>nd</sup> and 3<sup>rd</sup> - but cannot steal home
- 4) On weeknight games, no innings start after 7:30.
- 5) Unlimited re-entry
- 6) The VP will work w/managers to determine rules for extra base hits (we don't want the kids running around the bases if a ball goes through a fielders legs or if the fielders keep over throwing bases.
- 7) 4 run limit per inning.
- 8) Face mask used by pitcher, first base and third base
